The meeting was called to order. We started with the Serenity Prayer and reading of our Traditions, Concepts and General Warranties.

Adrienne wanted to review pages 160-200 of the An-Anon Service Manual. The majority of those present had not read the pages. The pages were reassigned to be reviewed at our next District Meeting.

Those present were introduced.

A discussion was held regarding changing the treasurer. Kim indicated willingness to assume the duties. A vote was held and it was decided to postpone the change, giving Erik and Kim an opportunity to discuss the role of Treasurer and what it entails.

The Treasurer's report was discussed. Discussed factors affecting monies, literature, staffing at events. The report was approved unanimously.

The Secretary's report from the June 23 meeting was approved unanimously.

Gift basket for the Convention and for the Service Workshops in October were discussed. Each group will make the decision whether to make a basket or not.

Group Representatives made their reports and all groups are doing well. WSO has the phone numbers of all GRs. The Monday night group has a step meeting the first Monday of each month.

Susan talked about Public Outreach. We need contacts in the areas of media.

Erik and Pam attended AA's Founder's Day, were well received, and are willing to have a literature table next year. Unanimously approved.

Erik presented an update of the literature situation. We will be able to save money with the three daily readers and How Al-Anon Works kept in stock locally due to savings on postage. Erik volunteered to serve as Literature Coordinator. He was approved unanimously.

The 2019 Area Service Workshop will take place in Ocala on October 26, 2019. Katy is asking for raffle baskets for that workshop.

The basket was passed and the meeting closed with the Serenity Prayer and the Al-Anon Declaration.
