

We are District 1 (tallyalanon.org) in Area 9 (afgarea9.org)

Al-Anon is administratively organized by 3-year Panels. We are in Panel 64. The reason for 3-year segments of service is to ensure rotation of service and to enable as many people as possible to serve in as many ways as they choose (Concept 4). New service positions have just been filled by vote of the Group Representatives during October 2023 Assembly for Area 9 officers and by general membership at our October luncheon for District 1 officers.

The graphic below shows that the Family Groups are at the top of the inverted triangle (Concept 1). The Group Representatives, one from each Family Group, are the *only voting members* at Area Assembly. District 1 is currently comprised of six Family Groups. Area 9 is comprised of 13 Districts from north Florida. District 1 is the smallest of the 13 by population. The Area Delegate chosen at last Assembly will represent Area 9 at the national level.
